

ALAYNA TAYLOR

SOFTWARE ENGINEER | FULL-STACK WEB DEVELOPER

alaynaonetay@gmail.com | (708) 506-2319 | Chicago, IL | <https://alayna-devs-portfolio.vercel.app/>

SUMMARY

Software Engineer and Computer Science undergraduate at WGU with nearly two years of hands-on experience building and testing modern web applications. I focus on full-stack development, creating responsive interfaces and integrating external services to deliver practical solutions.

SKILLS

Languages

- JavaScript
- TypeScript
- Python

Frontend

- React
- Tailwind CSS
- Next.js
- Vite

Backend

- Node.js
- Express.js
- PostgreSQL
- Supabase

Concepts

- Authentication
- API Design
- CI/CD
- Agile / Scrum

EDUCATION

Bachelor of Science in Computer Science

Western Governors University | March 2026 – Present

CS: Fundamentals of Information | Business: Information Systems and Computer Applications

study.com | August 2022 – May 2023

CERTIFICATIONS

Web Development Fundamentals Program

Code The Dream | February 2025 – November 2025

- Built dynamic and responsive applications using HTML/CSS/JS/APIs/React/Node.js/Express.js

WORK EXPERIENCE

Android App Developer | United Airlines | 05/2023 – 01/2024 | Chicago IL

- Learned Kotlin and developed in Android Studio to build and debug apps, focusing on frontend UI behavior and backend integration.
- Implemented data handling from backend databases, fetching and displaying dynamic content in the app.
- Explored mobile app architecture and design patterns, including state management, navigation, and property delegation.

Software Engineer Intern | i.c.stars | 01/2023 – 05/2023 | Chicago IL

- Designed and built an Augmented Reality (AR) mobile feature using Unity and C#, allowing field agents to overlay interactive status indicators on airport kiosks and computers.
- Gained experience in web development fundamentals (HTML, CSS, JavaScript) and frontend frameworks (Angular, TypeScript).
- Supported backend and data workflows, working with SQL databases, basic MongoDB concepts, and data entry pipelines.
- Developed strong professional skills, including teamwork, time management, technical communication, and self-representation.
